All papers accepted for publication in the Proceedings of the 20th Annual Conference for the Australasian Association for Engineering Education were submitted as full papers and were double blind peer reviewed. Authors were given the opportunity to amend their paper in light of these reviews before the decision to accept and publish the paper was made. This process of reviewing is in accord with the criteria set by the Department of Education, Employment and Workplace Relations (DEEWR) of the Australian Government for published papers. Author: Australasian Association for Engineering Education Conference (20th:2009). Editors: Dr Colin Kestell, Dr Steven Grainger, Professor John Cheung. Published in Australia by: The School of Mechanical Engineering, The University of Adelaide, Adelaide, South Australia, Australia. ISBN 1 876346 59 0. Copyright © 2009 Australasian Association for Engineering Education. These proceedings are copyright. Apart from fair dealing for the purpose of private study, research, criticism or review as permitted under the Copyright Act, no part may be reproduced by any process without the written permission of the publisher. Responsibility for the contents of the articles rests upon the authors and not the publisher. Data presented and conclusions drawn by the authors are for information only and not for use without independent substantiating investigations on the part of the potential user.
